REMARKS/ARGUMENTS

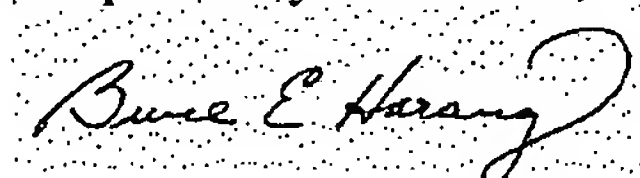

Assignee hereby petitions for a Certificate of Correction in U.S. Patent No. 7,016,172 correcting the inventive entity in said U.S. patent by the addition of inventor, Rafael Jimenez, not named through error and without any deceptive intent.

Petitioner, Lear Corporation, is the sole assignee of the entire right and interest in U.S. Patent Number 7,016,172 as attested to by the assignments recorded in the USPTO at reel 014256/frame number 0057, and reel 017858/frame number 0719.

Applicants submit herewith a new declaration which lists the complete inventive entity within the body of the declaration and is signed by all of the inventors. Applicants also submit the statement by the added inventors required under 37 CFR 1.324(b)(1), the statement of the originally named inventors required under 37 CFR 1.324(b)(2), the statement of the assignee required under 37 CFR 1.324(b)(3), the new assignment signed by the additional inventors, and the Statement of Compliance required under 37 CFR 3.73(b) which is contained in this petition hereinabove.

In light of the attached new declaration naming the complete inventive entity signed by all original inventors and the additional inventor, the statement by the added inventors required under 37 CFR 1.324(b)(1), the statement of the originally named inventors required under 37 CFR 1.324(b)(2), the statement of the assignee required under 37 CFR 1.324(b)(3), the new assignment signed by the additional inventors, and the Statement of Compliance required under 37 CFR 3.73(b) contained within the body of this petition Applicants believe their Petition for a Certificate of Correction under 37 CFR 1.324 is in condition for grant and such action is respectfully solicited.

Respectfully submitted,
